From the ground
Aerial Photo Support

A woman with short reddish hair, wearing a brown t-shirt and black pants, is sitting on a light blue concrete block. She is looking towards a large, light-colored wall made of rectangular panels. In the foreground, there are several other concrete blocks in various colors: a light blue one, a grey one, and a reddish-brown one. A young tree is visible in the background, and the scene is set outdoors on a paved area.
